Gavin,

Per your request, I have attached a copy of the statement form. Please complete the form with the allegations you brought forward last night about DS Conor. I need you to have this completed and signed by close of business today so I can start my investigation.

Thanks

Hello ,

I'm working on getting the form(s) done now . I've finished the first portion outlining the circumstance and my values at The Home Depot which are without conflict . I'm going to continue filling out the forms outlining U.S. Code . I recommend looking into 6 U.S. Code § 607 . 6 U.S. Code § 607 outlines the behavior of Conor Standring . It's a deep tragedy this is happening , I want to get every ounce of material I can get to make sure the community is at perfect

harmony and safety . In the first portion of my write up I outline how I am immaculate at The Home Depot ' Core Values ' , and I'm going to make sure I get signatures and write ups on my permanence as a devotee and perfect employee , with no conflicting Home Depot ' Core Values ' . I want to make sure that I get both sides , that I'm in absolute no fault , on record , and that my Home Depot ' Core Values ' are with no conflicting values . And I want the signatures on Conor Standing's atrocious terrorist behavior outlined as feasible in 6 U.S. Code § 607 ,

(A)information sharing and analysis;

(B)target hardening;

(C)threat recognition;

(D)terrorist interdiction;

I'm going to outline the ATF Federal Regulations , specifically 31 CFR 8.58 and 31 CFR 8.59 , ABA regulations specifically B-9.4 , and U.S. Code , 18 USC 2331 and 18 USC 4 , as it is a crime to not report a crime . There's a full circle to this , again I've never had any conflict of The Home Depot's ' Core Values ' , this is a little problem right now and I just want to make sure it doesn't turn into a big problem . Again , it is a crime not to report a crime 18 USC 4 , and as the Core Values of Home Depot state , its our duty as The Home Depot employees to maintain " Building Strong Relationships " , " Respect for All People " , and " Giving Back " . A key aspect of this process is getting the sign off that I've never conflicted in my Core Values at The Home Depot , and that we make sure the government can fulfill the precautions outlined in 6 USC 607 . We can start with understanding , how much was at stake . I make what I make for a salary ... and then there's gallons of explosives in my department that were / are under pressure of falling into terrorist hands , as outlined in 6 USC 607 ... and none of my Home Depot Core Values are in dispute at any point at my time at the Home Depot . I'm honored to work at The Home Depot , especially with its code of conduct , and I can't wait to get back to work and do my job which I love !

Regards ,
Gavin Potter

Gavin,

The purpose for my original email was to get the details of the allegations you brought forward about DS Conor. Although I appreciate the government policy lesson, I need the details of the concern regarding the threatening comment made by Conor. Please forward this information to my attention by 1200 EST today or I will move forward with the information I currently have available.

Thank you,

Bo Doering | Manager, Workplace Violence – Corporate Security
