Hello ,

There was a recent terror attack on June 1 , 2025 . I reported a potential threat to an attack on the IC3 website . I'm going to send you the documents that outline details I've outlined to the IC3 and EEOC .

I worked for The Home Depot and my employer fired me after 5 years , because I tried to stop a terror attack that happened . They defrauded the United States and wrote that I was in prison while I worked at The Home Depot instead of working . I was again defrauded at my second job at Credit Collection Services , again for being Jewish , or a U.S. citizen . Credit Collection Services violated standard practices for debt collecting and created a false record of my professional caretaking . Please review these details . I would like to speak to a counselor as soon as possible .

Regards ,
Gavin Potter

Hello,

Thank you for your email. The office you contacted does not handle complaints about consumer financial products or services. As such, the matter you raise is outside of our purview, as we only address allegations of discrimination by Bureau employees or applicants for employment at the Bureau.

The best way to submit a complaint, or to check an existing complaint's status, is to go to www.consumerfinance.gov/complaint. Submitting a complaint online usually takes 7-10 minutes and you can attach supporting documents.

If you have a question or can't submit online, call us tollfree:

• (855) 411-CFPB (2372) or

• TTY/TDD (855) 729-CFPB (2372)

Submitting a complaint over the phone usually takes 25-30 minutes. We're available to help you Monday through Friday, from 8am–8pm EST (except federal holidays). To learn more about common financial issues, go to www.consumerfinance.gov/ask-cfpb/. Don't have a complaint, but want to share an experience — good or bad? Tell your story at www.consumerfinance.gov/your-story/.

Sincerely,

Office of Civil Rights

Consumer Financial Protection Bureau

Darlan , I'm still waiting to hear back on the EEOC filing I made . I made a second filing , and a second IC3 filing . I do want you to know this is beginning to check out ... as a concealment of the government and the standards that are required to facilitate the government . 27 murdered and raped at Camp Mystic on July 4 , 2025 . And 15 Jews burned in Colorado on June 1 , 2025 . I will be filing every charge that is necessary in order to authorize and officialize these details . Please get back to me on the status of the EEOC filing . Also , my infinitely valuable , sacred and holy record is tarnished ... and thus causing mass deaths and rapes . Please make sure an alert is sent out , and I need my money , these terror attacks must stop , and again , every necessary charge will be filed to stop all these murders and rapes and firings .

Regards ,

Gavin Potter

Hello ,

This is Gavin Potter . I just spoke to a person on your hotline (the FBI threat hotline) . I filed two EEOC reports and two IC3 reports about gross negligence and terror activity regarding the circumstances I outlined in the four attached reports . I also asked the CFPB to report the attacks outlined in the reports as well . I tried to report the June 1 , 2025 terror attack on May 25 , 2025 on my news paper that I have on Twitter / X called Journal of the Press , and I tagged the @ FBI , @ EEOC and @ Andrea Lucas , the EEOC Chair . Honestly , I'm in shock the report has been more formally taking president . I will copy and paste the embedded tweet I posted on May 25 , 2025 for my news paper / magazine .

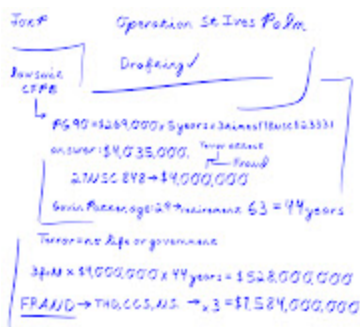

I'm just hoping everyone in the community is safe and that all the details about these events are correctly recorded , so the US government is upheld . I would send out whatever alert can be sent out to begin drafting and facilitating a solution to the organized crime / terror that has taken place .

If you could , is there any way you could reach out to the EEOC to make sure the details I submitted are formally handled and we have an official quick , clear and concise response to these threats . I outlined the lawsuit detailing the bare minimum funds that I also outlined in the IC3 reports that are absolutely necessary to upholding the law and exactly the duties in the constitution which no citizen can be deprived of .
