Hey guys ,

This is Gavin Potter I own the company zeusdb (Trademark - 98899187) . This is extremely important so please make sure you're very delicate with handling the details of this email as I know your office handles delicate matters .

There was an opposition trademark (ZeusDB - 99400139) filed against my trademark in the USPTO . The opposition trademark was filed AGAINST or in MUTILATION to an on going investigation .

The opposition filing was very threatening in the classes filed and the likeness it was filed ... the opposition filing LEFT OUT its 038 class and filed other classes in the likeness of my already applied trademark .

My trademark has every quality to be registered and fulfill the registration process .

The opposition filing is being linked to a Church Burning down , the Vondelkerk church in Amsterdam , it was all over the news .

Also the opposition filing is being exactly linked to the Bondi Beach terror attack that killed 15 Jews in Australia .

The level of defamation in this case is to an extremity that can't be measured .

Please be delicate with handling this information , I just want to make sure my trademark is registered , and I'm working with the authorities right now . I will be pressing charges against the opposition filing , and I will be petitioning to press the charges for my whole life . This is an incredibly serious matter .

I have 2 other trademarks , one I'm in the process of filing and the other is in your office right now , that's three trademarks in total . All three trademarks will be owned by me , and there is many more trademarks to come as I'm a very successful , organizer , business gentleman .

Please make sure everything is handled correctly and satisfactory and we'd love to hear from you , thank you .

P.S. I've never broken a law or taken part in any sort of criminal activity . I have many girlfriends who are trying to have children with me right now . I will absolutely be pressing charges , and nothing can organized that would stance that my girlfriends or me , or my children that I'm about to have are imposed to take part in any crime ... I really expect your office to handle this with the utmost professionalism , thank you very much .

Regards ,
Gavin Potter
